571 Description of mark

The mark consists of an open polygonal shape consisting of one vertical line connected at the right to a longer, slightly angled horizontal line connected at the right to a shorter vertical line pointing up, connected at the right to a longer, slightly angled horizontal line, connected at the right to a longer vertical line pointing down, all appearing in a medium line weight. Slightly above and to the left of this design, depicted in a lighter line weight, is one vertical line connected at the right to a longer, slightly angled horizontal line connected at the right to a shorter vertical line pointing up, connected at the right to a short horizontal line, creating the effect of a shadow. The entire design appears in the color blue-grey. The color white represents background and is not claimed as a feature of the mark..
